When it comes to furniture, there is no greater challenge than finding the perfect balance between time-honored traditions and modern trends. But from the beginning, this was the aim of Belgian Oak by Bernhardt — to provide a present-day aesthetic rooted in the tenets of Northern European furniture design. Heavily influenced by Belgian, Dutch and Scandinavian interiors, this collection stands out with signature pieces that are rustic yet refined. Belgian Oak accepted a difficult challenge in seeking that elusive balance and its aim is true. Belgian Oak by Bernhardt — sophistication with a casual approach.
