DESIGN | Stepped moldings, turned posts and beadboard panels highlight the updated traditional styling.

ACCENT | A creative use of leather inserts and metal framing adds a relaxed and casual feel to the traditional designs.

HARDWARE | Old world burnished brass knobs and pulls adorn the collection, completing the antique feel.

INSPIRATION | Welcome to a home where each piece seems to have a unique story, the feel of a found object, the mystery of a discovered treasure. Come and embrace the spirit of Vintage Patina — a collection of sophisticated home furnishings influenced by authentic, traditional designs that have been updated for the relaxed and more casual look of today. Clean, strong lines, stepped moldings and turned posts complement the beauty of the natural wood, which takes front and center with plantation grown mahogany veneers. Presented in a mid-tone Tobacco and deeper Molasses finish, the veneers are hand waxed and distressed and feature character marks such as knots and mineral streaks to create an authentic, aged look. Blackened cast iron and a creative use of antique mirror, leather inserts and metal framing add a touch of the eclectic, while blackened solid brass hardware completes the antique feel. Vintage Patina by Bernhardt — creating an authentic luster of age.
